

# Unleash Financial Excellence with Quisitive + Board

Together, Quisitive and Board are helping organizations achieve end-to-end financial and operational excellence—creating value across the organization and empowering faster and more precise insights for critical decision-making.

In the ever-evolving landscape of finance and operations, Quisitive and Board are poised to redefine your organization's journey toward excellence. Our alliance is built on a foundation of innovation, expertise, and a shared vision to empower organizations like yours with end-to-end financial solutions. Together, we seamlessly integrate cloud enablement and intelligent planning to unlock a world of possibilities and drive superior business outcomes.

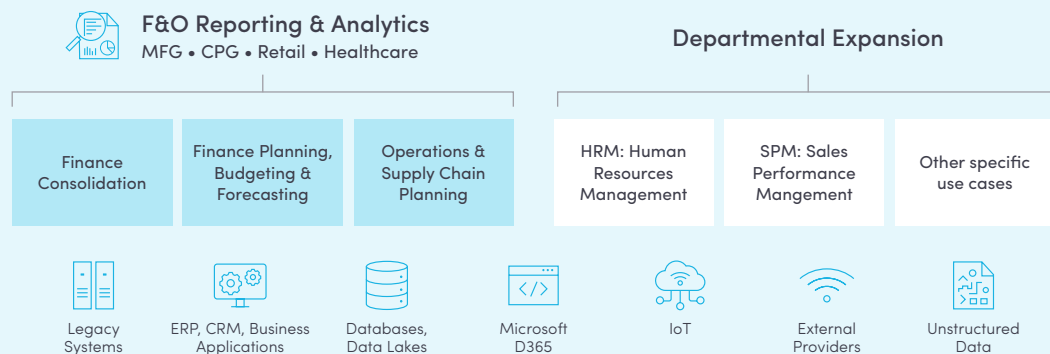

## Revolutionize Your Financial Reporting and Analytics

**Comprehensive Visibility with Cloud Enablement:** Quisitive's expertise in cutting-edge Cloud ERP solutions, like Microsoft Dynamics 365, provides a panoramic view of your data landscape. Seamlessly integrated with Board's Intelligent Planning Platform, we empower your executives with unprecedented control over the entire planning process, leading to enhanced operational efficiencies and informed financial decision-making.

## A Decade of Innovation Together and with Microsoft

**Preferred Partners with Microsoft:** With over a decade of joint innovation and expertise, both Quisitive and Board are trusted Microsoft partners. Leveraging Microsoft's Industry Cloud solutions, we offer a transformative shift from legacy ERP and reporting systems, driving your organization toward modern excellence.

# Qusitive and Board Intelligent Planning for F&O

## Breaking Down Barriers and Complexity

**Unified Platform:** Accelerate your journey by migrating legacy ERP and Reporting Systems into an integrated platform for a streamlined experience.

**Enterprise Data Aggregation:** Seamlessly aggregate data from every corner of your organization, from the C-Suite to Finance, Demand, Supply Chain, and S&OP.

**Enhanced Efficiency:** Witness improvements in operational efficiencies and a significant boost in system and application interoperability.

**Game-Changing Innovation:** Experience the industry’s game-changer—Qusitive’s Dynamics 365 Trial Balance Extractor—for effortless trial balance data extraction and to unite Dynamics 365 F&O tables into Board’s powerful planning engine.

**Seamless Upgrades:** Elevate the user experience with a smooth upgrade from Dynamics AX to Dynamics 365, giving you control and ease in the transition.

## Leverage the Power of Microsoft Azure

**Unlock the Full Potential:** Explore the full potential of Microsoft Azure with Open AI, ChatGPT, Azure Cognitive Services, and more. It’s a world of possibilities at your fingertips.

### About Qusitive
